where small business makes a **big** difference

Robert Jones, Small Business Specialist

NASA MANAGEMENT OFFICE - JPL

OVERVIEW & UPCOMING OPPORTUNITIES

**JEFFCO EDC PRESENTS: AEROSPACE AND DEFENSE SMALL BUSINESS
INDUSTRY DAY**

June 28, 2016

www.nasa.gov

Overview

- Jet Propulsion Laboratory (JPL) is a Federally-Funded Research and Development Center (FFRDC)
- Lead research and development center for NASA
- University-operated by the California Institute of Technology (Caltech)

Overview

- JPL has a charter for robotic spacecraft exploration of earth, the solar system and the universe. The Laboratory currently operates 19 spacecraft and 12 major instruments throughout the solar system.
- Located in Pasadena, California
- 5,000+ employees
- \$1.6B business base
- \$700M+ in annual subcontracts and purchase orders

Overview

| | Principal NAICS Codes | Services/Subcontract Name & Scope |
|---|-----------------------|--|
| | 236220 | Construction |
| | 332710 | Machine Shops |
| | 517410 | Satellite Communications |
| | 541380 | Testing Laboratories |
| | 541511 | Computer Programming Services |
| Broad Applicability Support Services Subcontracts | 541512 | Desktop & Institutional Computing Environment (DICE): Network Services, Help Desk, Systems Admin, Hardware/Software Maintenance & Replenishment of PC and MAC Computers and Peripherals. |
| | 541513 | Science Data Systems Implementation & Operations (DSIO): Provides services in the areas of software development, information management, data distribution, archiving data from remote sensing and optical and microwave instruments. |
| | 541712 | Mission Assurance Support Services (MASS): Provides engineering support in the areas of reliability, environments, electromagnetic compatibility, probabilistic risk assessment, quality assurance and inspection, electronic parts engineering and failure analysis. |
| | 541712 | Multi-Divisional Engineering, Design, Analysis, Laboratory-wide Support (MEDALS): Provides Mechanical, Thermal, Optical, Propulsion, Electronics, Controls, Systems and Cabling Engineering support. |
| | 541712 | Temporary Technical and Professional Support (TTAPS): Provides temporary support personnel capable of supporting any temporary work including software engineering, computing services, secretarial and clerical services. |
| | 561210 | Facilities and Maintenance Operations Support: Provides maintenance and operations support for Laboratory facilities and grounds. |
| | 561612 | Security & Fire Protection Services |

Jet Propulsion Laboratory Upcoming RFPs

DESKTOP INSTITUTIONAL COMPUTING ENVIRONMENT (DICE)

Summary of Scope: Will provide desktop hardware, software and help desk support to JPL's employees.

Value: TBD

Competition: TBD

Schedule:

- RFI to Industry: September 2015
- Comments from Industry: October 2015 (and continuing)
- Benchmarking and State-of-the-Industry Interviews: November 2015 – February 2016
- Draft RFP Available: June 2016
- RFP Release: August 2016
- Proposals Due: November 2016
- Source Selection: May 2017
- Contract Signed: July 2017
- Transition Period: August – December 2017
- New Contract Operational: December 2017

Jet Propulsion Laboratory Upcoming RFPs

FACILITIES MAINTENANCE AND OPERATIONS

Summary of Scope: Subcontractor will maintain and operate 200 buildings and trailers and more than 170 acres on campus via the following services: Buildings and Structures Maintenance; Heating, Ventilation, and Air Conditioning; Electrical Power Generation and Distribution Systems; Building 230-Space Flight Operations Facility; Grounds Maintenance and Repair; Janitorial Services; Pest Control; Energy and Water Conservation; Disaster and Potential Disaster Response; Energy Management System; and Power Control Console System Configuration.

Value: TBD

Competition: TBD

Schedule:

- Issue Request for Information: January 2016
- Issue Request for Qualifications: April 2016
- Issue Draft Request for Proposal: May 2016
- Pre-proposal Conference/Site Survey: May 2016
- Issue FINAL Request for Proposal: June 2016*
- Proposal Due Date: August 2016
- Fact Finding/Orals: October/November 2016
- Final Source Selection: February 2017
- Subcontract Award/Transition Period: April 2017
- End of Transition Period: September 2017

**Subject to change. Please inquire with the JPL Small Business Programs Office.*

Jet Propulsion Laboratory Procurement Opportunities

| Expiration | POP | Incumbent | Title | Contract No. | NAICS Code(s) | Value | RFP Release |
|-------------|---------|---------------------------|---------------------------------------|--------------|------------------|---------|-------------|
| N/A | N/A | N/A | Security Gate Fortification | TBD | TBD | \$4.5M | TBD |
| 29-Jun-2016 | N/A | Classic Party Rentals | Rentals for Events | 1542479 | 532299 | \$325K | TBD |
| 30-Jun-2021 | 5 Years | Prudential Overall Supply | Cleanroom Garment Rental and Cleaning | 1433829 | 812332 | \$500K | TBD |
| 13-Jul-2016 | 3 Years | Merrimac Energy Group | Diesel and Bio Fuel | 1482659 | 424710 424720 | \$1.35M | TBD |
| 31-Jul-2016 | 5 Years | Haz Mat Services | Hazardous Waste Disposal | 1539888 | 562112 | \$1M | TBD |
| Sep-2017 | 6 Years | Office Solutions | Office Supplies for iProcurement | 1438635 | 339940 | \$12.5M | TBD |
| 30-Nov-2016 | TBD | Western Office Interiors | Knoll Modular Furniture | 1442293 | 337211 | \$4M | TBD |
| 31-Dec-2016 | TBD | The Tharpe Company | Service Awards Program | 1447797 | 541890 | \$750K | TBD |
| 8-Apr-2017 | 5 Years | Q Plus | Mechanical Inspection | 1501263 | 541380 | \$200K | TBD |
| 30-Jun-2017 | 5 Years | HP Enterprise Services | Copier Rentals | 1453713 | 532420 | \$5.33M | TBD |
| 30-Sep-2017 | 3 Years | The Shredders | Document Destruction Services | 1511813 | 561990 | \$54K | TBD |
| 29-Sep-2017 | 3 Years | Yale/Chase Equipment | Forklift Repair | 1367939 | 811310 | \$150K | TBD |
| 01-Feb-2020 | 5 Years | KST Data | Duplicating and Reproduction Services | 1519753 | 561439 | \$2.7M | TBD |
| 28-Jan-2018 | 5 Years | Tel Us Call Center | Operator Services | 1473062 | TBD | \$239K | TBD |
